NATIONAL PARK SERVICE

GRAND TETON NATIONAL PARK
JOHN D. ROCKEFELLER, JR. MEMORIAL PARKWAY
P.O. BOX 170
MOOSE, WYOMING 83012

2015 COMPENDIUM AMENDMENT: 36 CFR 1.7 Public Notice

AUTHORITY

Under the authority of 54 U.S.C. Section 100751(a), and Title 36 Code of Federal Regulations §1.5 (a) (1) the Superintendent is closing the following portion of the park to all public use. This closure is necessary for one or more of the following reasons: the maintenance of public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, or the avoidance of conflict among visitor use activities.

Section 1.5 Closures and Public Use Limits

The following area is temporarily closed to public entry beginning May 27, 2015:

Generally: Approximately 1.4 acres adjoining the east side of the Colter Bay Campground – please see specific closure description and attached map.

Specifically: Specifically all lands within the following boundaries: The southeast extent of closure begins at UTM 528853, 4861943 (NAD83), east of Colter Bay Campground. The southern boundary of the closure runs west for approximately 65 meters to the southwest extent at UTM 528783, 4861950 at the edge of the Colter Bay Campground Road. The western boundary extends approximately 100 meters to the north adjacent to the eastern edge of the Colter Bay Campground road to the junction with the access road for the group campsites at UTM 528767, 4862033. The northern boundary of the closure then heads east along the southern edge of the access road for the group campsites for approximately 55 meters to the northeast extent at UTM 528806, 4862060. The eastern boundary of the closure then extends southeast for approximately 135 meters to the southeast corner. The area inside these boundaries is closed to all human traffic. See attached map.

DETERMINATION

The National Park Service has established this closure as necessary for the protection of denning fox and their young.
